e-Newsletter February 2025

**After a beastly winter the first signs of Spring are in evidence, along our hedge rows and riverbanks, the snowdrops are once more peeking through with their promise of new life. We are so blest to have such a display on our doorstep every year! But before we leave winter behind many of us will still be chuckling to ourselves over the antics of our Ecchwellian Thesbians who featured in this year's Pantomime Robin Hood.**

The show was a resounding success playing to three full audiences keen to participate with their cheers and boo's - all in the right places of course! As with all good stories it had a happy ending and everyone left with a smile on their face after a rousing chorus of a song vaguely reminiscent of Lilly the Pink. And ohh those green tights - I didn't know they had Lycra in the 13<sup>th</sup> century.....

Well done to all the cast, crew and especially Allan Unnuk who wrote, and produced the show with Eileen.

**And because a picture tells a thousand words I'll shut up.....**

### February 22<sup>nd</sup> Race Night 7.00pm

For those who have never been to one of our race nights you are seriously missing out! This event has become somewhat of a tradition in the village. Pre-recorded races form the basis but the Race Course and Horse Names have been changed. Each race has 8 runners and you make your bets – not too big - £1.00 will do. There's nothing too scientific about choosing your horse (I tend to go with the name I fancy). Odds are calculated from the bets placed then they're off. All eyes are glued to the screen.....Hooting and cheering fills the hall as the horses make a dash for the finishing line..... Collect your winnings or better luck next time? There are 8 races so eight chances to get lucky!

All the fun of the Newbury Races in our own Village Hall. No need for fancy hats or ties and compare the prices at our bar ..... Really what's not to like???

### March 29<sup>th</sup> Tabletop Games – 7.00pm

This will be a first for us! At the moment we are busily trialling a series of games for you. Don't worry you won't be stuck with any one individual game for more than 10 minutes and whether it's card games, dice games, skill or knowledge that is your strength it will all be there and much more besides so put the date in your diary. **A night guaranteed to put a smile on everyone's face.....**

### AND WHAT COMES NEXT?

We have a **Family Fun Event** scheduled for June (date to be decided), and the Events Team are already beginning to think about what to put in the programme for our next season (25/26).

There are the old favourites such as Quiz Night and Race Night, but we also like to ring the changes.

Do you have any ideas? We would be delighted to hear from you! .

Contact us on [ecchinswellhall@gmail.com](mailto:ecchinswellhall@gmail.com) clearly marking your email IDEAS.  
Many Thanks!

### NEWS FROM THE REGULAR USERS

If you have ever walked past the village hall on a Monday evening and wondered what's going on inside, let me enlighten you, Monday night is karate night! Under the leadership of Sensei Paul Clark the group practice and develop their skills. Training methods include solo punching and kicking drills, pad drills, partner drills, self-defence drills, Kata and sparring. Over the years the club has seen a good number of students graduate from beginner to the coveted Black Belt. Best not to mess with anyone in the vicinity of the Village Hall on a Monday night then.....

Joking aside this is what Sensei Paul says about Karate:-

Karate is good for health and fitness, developing self discipline, mental strength and confidence. Getting good at it takes many years though and there is no fast-track method. It really is a case of you will get out of it what you put in.

All journeys begin with a first step so come on in and give it a go!

The first class is free.

#### AND FINALLY: NEWS FROM THE VILLAGE HALL COMMITTEE

The committee met on 14<sup>th</sup> January, one of the topics discussed was the ongoing problem of dog fouling on the playing fields. Action has now been taken in that there are now two extra bins for dog poo – one on the far side of the playing field at the start of the path that leads to Cow Lane and the other on the allotment side of field. There are also two notices fixed to the hall. As well as being highly unpleasant dog poo carries the risk of toxocara infection to young children and prosecution could lead to a £1,000 court fine so please make use of this facility. On a different note the Village Hall Committee is looking for new members. For more information email [ecchinswellhall@gmail.com](mailto:ecchinswellhall@gmail.com) marking your email VILLAGE HALL COMMITTEE. Promise there is much more to discuss than dog poo!
