

ECCHINSWELL VILLAGE HALL

e-Newsletter January 2025

Happy New Year every one! I do hope that you have all had a very enjoyable Christmas! Did anyone see Santa flying in a Northerly direction over St Lawrence Church just before midnight on Christmas Eve? Despite the rather gloomy weather there's always a warmth at Christmas time and this year it was aided by the Netflix's most watched film on Christmas Day – a close up of a log fire burning for an hour! A cosy back drop if you don't have a real one I guess and good for the environment too.....

The festive season started early in December with our monthly Coffee Morning when we enjoyed mulled wine, mince pies and the company of our local school children! That was closely followed by a Christmas Craft Evening - the hall turning into a hive of creativity whilst Christmas wreathes were lovingly created under the expert guidance of Tracey and Sylvia. Well done everyone and a big thank you to Tracey and Sylvia!

You may well be wondering what the green feathered cap in the header above has to do with Christmas, The New Year or January; well if you must, fast forward to page 2 but don't forget it's Coffee Morning on Tuesday 7th.

So, what's happening in January and beyond.....

If you have any donations for our February jumble sale, please bring them along. We will be grateful for clean wearable/usable items.

**NEWS FROM THE REGULAR USERS**

The New Year is a time for a fresh start, and this often involves resolutions of the health and fitness kind so this month I thought it would be timely to share with you what goes on in the hall most Wednesday mornings between 10.00 and 11.00am. This is when Danni runs her Pilates class. We are a small group of ladies (although the occasional man does join us). Danni takes us through a series of toning, stretching and strengthening exercises. The classes are varied using different props including chairs, the wall, weapons of torture (joking) and always the floor! For each exercise there are levels to choose from so nobody should feel over challenged and Danni is checking our posture throughout. Sometimes after class there is time for a hot drink, giving us the chance to get to know each other better.

This is what Danni says

“I make sure every class is carried out at a slower pace, so you have time to listen to the instruction given and think about your posture and spinal alignment, as well as making sure you are using the right muscles for the exercises practiced. The lessons are varied and well-structured and I offer a different programme each week that caters for all ages, abilities and levels.”

And this is Sydney who has her own version of “Downward Facing Dog”
