

Oh when will there be an end to this damp and gloomy weather? February has been a dreadful month, hasn't it? At least we have had the snowdrops to make us smile and have you noticed the early daffodils are beginning to make an appearance? Like little rays of sunshine to brighten our days! Despite the gloom, February has been a busy month for the Events Team but before we get into all of that we want to say a big thank you to Liz HK who after many years is standing down from the Team. Liz was a founding member of the group along with Gill Lock. Together they set up our Coffee Morning back in February 2018 and over the years the Events Team as we know it today has evolved from that early initiative! We will miss Liz's calming presence as part of the Team, but she is not withdrawing completely and will still be serving coffee and cake on the first Tuesday of the month as usual! Thank you Liz!

In early February, Ecchinswell had its first jumble sale in many years! We had oh so much to sell! Clothes for everyone, accessories galore, mountains of books and toys, bushels of bric-a-brac, some electricals and even fitness equipment! A big thank you to all those who donated goods and to our hard-working helpers! Despite the beastly day, there were about 80 shoppers. We hope that they were all pleased with the bargains they found!

NEWS FROM THE REGULAR USERS

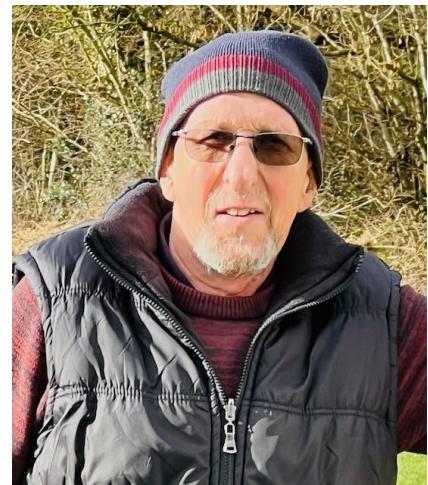

Have you ever walked along the Ecchinswell Road on a Sunday morning and wondered what's going on the other side of the hedge near the Village Hall? In all probability, it will be the football! And so, this month we go outside of the hall to take a peak! One Sunday morning, early in February, I braved the elements to go and watch the Diamonds play Frilsham. Our home team, the Diamonds, in the turquoise shirts, were the victors with an impressive 6:1 score. In the last ten minutes of the game - the bit of the match that I watched, there were no goals, but it was lively, and I am rather proud of my action photography despite my fingers nearly dropping off from the cold! How do those linesmen stand there in the freezing temperatures for over 90 minutes?

Some of you will already know Bill Fry, our grounds man, he can often be found, along with Chris Hutchins, in the vicinity of the recreation field inspecting and caring for the pitches.

What Bill doesn't know about ground maintenance isn't worth knowing! When Bill first started as grounds man in 2002 the field was in a sorry state. Bill took on the mammoth task of getting it back into shape with the incentive that the Newbury Post Office Team - where he worked, could start playing there. Well, the rest is history because there has been regular Sunday football on the field ever since! Bill loves the work, but it's not without its challenges as the ground is prone to becoming waterlogged so regular inspection and spiking at the right time of year is necessary! There are also the problems created by unruly youngsters churning up the ground by riding over it and making it unsafe to play football on. There are also other problems such as mole hills and dare I say it dog poo..... But despite these hazards, Bill soldiers on keeping our field in great condition!

Well done Bill! In a future Newsletter we will look at the history of football in Ecchinswell, something else Bill knows a lot about!
